Ellen Wolfhagen of the Health Care Authority (HCA) will present the latest on the new United Healthcare Medicare Advantage plus Prescription Drug (MA-PD) plans in a webinar on Monday, November 9 at 9:00 a.m. Ellen is the manager of the MA-PD plans for HCA/PEBB, and will describe the two new PEBB plans that will be available throughout Washington, and offer out-of-state coverage, beginning January 1, 2021.

Sign-ups for these plans must take place by November 30. The MA-PD plans are less than half the monthly cost of the current Uniform Medical Plan (UMP), and are price competitive with Kaiser Permanente and Premera Blue Cross Plan F and Plan G offerings.

Ellen will present through a series of slides and then take questions from attendees. The webinar will be recorded and posted on the WSSRA website.
